

Geberit Mapress Stainless Steel system pipe, CrNiMo, small bundle

Application purpose

- For technical building systems, industry and shipbuilding
- Application overview: Geberit Mapress Stainless Steel for liquid media
- Application overview: Geberit Mapress Stainless Steel for gaseous media

Characteristics

- Silicone-free (LABS-free)
- Pipe end with blue protection plug

Technical data

Material	CrNiMo steel 1.4401 (EN 10088)
Surface roughness	1.5 μm
Thermal expansion	0.0165 mm/(m · K)
Thermal conductivity, pipe	15 W/(m · K)
